

Are you looking to own a Franchise?

Become a Prepaze Academy Owner

Prepaze Academy

Nourishing Individual Excellence

A man and a woman in business attire are smiling and talking. The man is on the left, wearing a dark suit, light blue shirt, and a patterned tie. The woman is on the right, wearing a dark blazer over a light blue shirt. They are both looking at each other and smiling. A purple semi-transparent box is overlaid on the image, containing a quote and the name Maya Angelou.

”

My mission in life is not merely to survive, but to thrive; and to do so with some passion, some compassion, some humor, and some style.

- Maya Angelou

Prepaze Academy specializes in providing hyper-personalized classes for K-12 students by focusing on their learning styles and internal motivators that make them unique. With comprehensive tech and training support, we enable our franchise owners to nourish every child towards excellence.

Introduction

Franchises have always been the easiest way to own a business. Though there are several franchise options to choose from many industries, academic franchises are the easiest to set up while also making an impact in the community. Having successfully run for over 5 years, Prepaze Academy is providing its proven success materials, business manuals and automated technological solutions, as a franchise offering to make a greater impact across the United States.

Prepaze Academy specializes in delivering flexible in-person and group tutoring classes and fostering individual excellence of students via tailored learning programs based on student's learning styles and intrinsic motivators. While every kid learns differently, educational institutions seldom have the resources or time to cater to the specific requirements of each child or to go over ideas that weren't completely grasped the first time. Prepaze Academy boasts itself in addressing this challenge in a way that it nourishes for nourishing individual excellence of its students.

With research showing that the child education and development center franchises industry has risen by 3.7 percent in the last five years, reaching revenues of \$3 billion in 2018, the need for center-based child care is definitely on the rise. Now as a franchise owner, you too could have a chance to grasp a part of the share.

If you are looking to become your own boss, enjoy financial freedom by earning from multiple streams of revenues and run a business with a holistic support system while making a large impact in the society, then Prepaze Academy franchise is an excellent investment for you.

About Prepaze Academy Franchise

Prepaze Academy specializes in providing hyper-personalized adaptive learning services for K-12 students in the US. By understanding a student comprehensively, Prepaze Academy designs a unique learning path for each student based on their preferred learning style and intrinsic motivational boosters. With AI-assisted performance monitoring and adaptive assessments, students get assistance from online and offline resources specifically designed to accentuate their strong areas and improve their weak areas.

Operating successfully for 5 years in Dublin, California, Prepaze Academy has now an effective system that enables students to achieve academic success through holistic support that boosts student's confidence and enriches their well-being. It is now accredited by [ASC WASC](#) for its effective operation and its contribution to student success.

Prepaze Academy is now offering its success solution as a franchise offering across the US to make a larger impact in the well-being of our future generation.

Prepaze Academy also has systems to provide support for competitive exams such as ACT and SAT and to guide students through its custom college counseling program.

Our History

Founded in 2017 by Shenba Chockalingam, Prepaze Academy (then called Ace Academy) was started as an idea, a hope to provide everyone access to the education they deserve. That idea blossomed into fruition and created the company we see and love today. Prepare Academy started from the bottom, and climbed its way to creating a personalized educational experience that students and teachers enjoy.

Our Values

PERSONALIZATION

Setting students up for success means offering each one the proper and appropriate support to match their unique needs, as well as ensuring their tutors have the resources to get them there.

Our Unik learning management system means curriculums can be curated to each student's strengths while also bolstering any trouble areas.

ACCOUNTABILITY

We stand by every tutor and every student. Their success and growth are also ours.

We ensure each resource is appropriately vetted for our professionals and classrooms, and we never stop searching for ways to improve the learning experience.

COMMITMENT

Our dedication to our classrooms, teachers, and students is unmatched.

We stop at nothing to enable everyone we partner with and work with. Our commitment sets us apart from the rest because we stop at nothing to be in your corner.

TEAM WORK

We are proud of the team we have cultivated over the years, and it is still growing to this day.

Whether we are working together to improve our own Academy or working with you to build yours, we believe in the community we have built and continue to build.

Why parents choose Prepaze Academy

Many parents choose Prepaze academy because of its personalized tutoring and its curriculum that is closely aligned with the school's curriculum. The following are some other reasons parents love our academy:

HOMework HELP

Prepaze will assist pupils in completing their school's assignments; however, it will not assign any extra homework to pupils after school hours. The Prepaze model's homework assistance feature is quite popular among

STUDENT SIGN IN

Students and instructors swipe in using a tablet device to register attendance at the center. This adds an extra layer of protection while also assisting the Center Director in ensuring the facility is always adequately manned.

TEACHING IN GROUPS

Each student has a dedicated instructor, who works with them one-on-one before encouraging them to work independently for short periods (whilst being closely supervised). To prevent students from becoming too reliant on a single teacher, the Prepaze Method of Team Teaching employs small group instruction.

INDIVIDUAL LEARNING

The first step for every student is a personalized assessment, from which our proprietary program generates a custom learning plan to fill up any knowledge or comprehension gaps. There will never be a similar schedule for two pupils.

RESULTS THAT HAVE BEEN TESTED AND VERIFIED

Prepaze Academy has independently validated measurable outcomes from frequent progress reports.

A system that provides wholesome support for students academic, social, and emotional well-being

Prepaze Academy's Business Model

With systems and supports in place, Prepaze Academy offers a Ready-To-Go Franchise business model to help you become profitable quickly.

In comparison to starting a company from scratch, one of the main benefits of franchising is that you may use tried-and-tested processes.

Prepaze has a comprehensive training and support program that has been designed to provide franchisees of various backgrounds the skills they need to succeed as a Prepaze Academy Franchise owner

Prepaze Academy's franchise opportunity breakdown

Easy to understand the business concept - no prior knowledge of math or teaching required

Delivers outstanding outcomes at a reasonable price

Assistance with homework and adaptability in scheduling

Brand strength comes from having a unique image and using world-class marketing strategies

Sector that is rapidly expanding and where youngsters are always battling math and the shifting educational landscape worldwide

Complete Support to Growth

Building your franchise from the ground up is very easy with Prepaze Academy. We work with you on everything from expenses to classroom furnishing, and everything in between. The following are some of the many support systems that we have in place for you to succeed.

PRE-OPEN GUIDANCE

Our pre-open training covers everything you will need to know about certification and requirements from your state and state learning standards. You will also see a preview of our assessment repository and a tour of our unique learning management system. We will also be onsite along the way to help you set everything up for your students!

THE PREPAZE ACADEMY OPERATIONS MANUAL

This will be your on-hand guide as you set up your Academy. The operations manual details procedures, reporting, marketing, customer service, enrollment protocols, billing and invoice, and much more. While we are always just a call or email away, the operation manual is a great tool to keep you on track with your Academy goals and requirements.

TOOLS AND TECHNOLOGY

We know what a Prepaze Academy center needs to get started and keep running, and we will pass this knowledge onto you as you start up your franchise location. Over the years, we have worked with academics and educational experts all over the world to outfit your Academy with an assessment repository of resources and questions for your students, and developed a Learning Management System that puts everything in one, user-friendly place for easy access. Our UNIK system also makes invoicing and billing a snap, so families can be notified of payment and teachers paid promptly.

NEW CENTER MARKETING

It is not enough just to open your doors -- families need to find you! We will help you get your name out there with a social media marketing package that will showcase your center to prospective students and their families. That way, no one is left out of the loop!

TRAINING AND SUPPORT

You don't have to be a teacher or have expertise in child care to become a Prepaze franchisee, but you have the ambition and drive to operate a school. With simple online training course we will educate you on running a profitable franchise before you go into business.

The statistics in this document are not guaranteed and are only theoretical representations of possible performance when following the methods and principles described in the Prepaze Operating Manuals and training materials. The franchisee needs to get independent counsel before deciding whether or not this franchise opportunity is viable.
